TGR1 TocDem 0.8 to 1.9 Tonne Demolition Selector Grab

The TGR1 TocDem 0.8 to 1.9 Tonne Demolition Selector Grab is made of particularly wear-resistant steels. Therefore, it is well-suited for demolishing brick structures, timber, and other types of materials. Furthermore, since it is built for excavators weighing 0.8 to 1.9 tonnes, it delivers exceptional power and ensures fast and effective demolition.

Moreover, the particular design of our machines not only excels at demolition, but also optimises the selection of materials derived from it. As a result, recycling and handling processes become more efficient.

What we offer at TocDem

- Huge 3 Year Warranty
- Hire To Buy Packages Available
- Trade-Ins Are Welcome
- Finance Can Be Arranged (subject to status)
- Full service & recalibration support offered
- Heavy Duty Slew Ring
- Heavy Duty Motor
- Heavy Duty Chassis

All TocDem Selector Grapples come fully set up & ready for work with hoses, pins & head bracket / hanger. In addition, a 3-year warranty is included as standard. The head bracket/hanger is made to your specification at the point of order.

TocDem TGR1 Grapple Specification

- 100 Kg, 220 lbs
- 770mm, 31"
- 630mm, 25"
- 350mm, 14"

- 2 Tonnes, 4400 lbs
- 0.3Tonnes, 660lbs
- 20 Litres per minute
- 60 bar, 870 PSI

Additional highlights of our 1.5 Tonne Hydraulic Selector Grabs include:

- Hydraulic cylinder synchronised to a piston rod system. Consequently, this facilitates homogeneous clamping.
- Interchangeable blades and different jaw configurations. These allow users to carry out demolition, selection, and loading tasks efficiently.

All prices are subject to VAT & delivery.

Why Choose TocDem Attachments?

As a service business and a manufacturer, TocDem Excavator Attachments recognises the importance of quality control. Hence, we conduct rigorous pre-delivery inspections and tests on all TocDem Hydraulic Grabs to ensure both quality and reliability. Additionally, we continuously evaluate cutting-edge technology and techniques to enhance our product range.

Moreover, our commitment to quality goes hand-in-hand with our dedication to customer support. A key feature of our Attachments is our promise to “stand behind” every product we sell. To that end, we always stock a full range of spares for our excavator grapples, available for immediate delivery. We also provide expert technical advice and support across our entire TEB Hydraulic Grabs range.

**** Due to ongoing development specifications may change at any time.**

These tools should only EVER be operated by trained, qualified personnel. A valid risk assessment & method statement should always be in place before use. The Excavator powering this item should always be fitted with a cab & Demolition guards.
