

## **CJ JH PLANT AND TOOLS LTD**

### **Environmental Policy**

CJ JH Plant & Tools Ltd is committed to achieving the highest standards of environmental performance, preventing pollution and minimising the impact of its own operations. The Companies aim is that no lasting environmental damage occurs as a result of its activities, and policies are being implemented to ensure that all its operations meet or exceed the requirements of legislation and approved codes of practice.

Our aim will be to:

1. Adopt and aim to apply the principles of "sustainable development" - that is, development which meets the needs of the present, without compromising the abilities of future generations to meet their own needs
2. Seek to improve and continuously improve our Environmental performance
3. Foster the commitment of all management and staff to improving the Environmental performance of the business
4. Strive to adopt the highest available Environmental standards
5. Assess the Environmental impact of all our operations past, present and future
6. Aim to minimise the use of all materials, supplies and energy. Wherever possible we will use renewable or recyclable materials
7. Minimise pollution produced in all parts of the business, and aim for "pollution-free" products and processes
8. Adopt an Environmentally sound transport strategy

CJ JH Plant & Tools Ltd will continue to raise environmental awareness within the company through the development and training of its employees and will communicate openly and consult with customers, suppliers and other stakeholders on relevant Environmental issues.
