

CJ JH PLANT AND TOOLS LTD

Privacy

CJ JH Plant & Tools Ltd is very sensitive to the privacy concerns of visitors to this web site. The purpose of this Privacy Policy is to describe what types of information we collect from users, the purposes for which we use the information and under what circumstances we disclose information gathered. Please note, by using this web site, you agree to a limited use of any personal information you may provide, as outlined below.

Collection of information

You may be required to provide your contact information during your visit to this site.

Additional demographic and other profile information beyond contact information may also be requested via optional surveys or other site promotions. This additional information is not required to use the web site.

Use of personal information

Information collected is used to create and administer your access to certain areas of this site, including verification if you lose or forget your password. In addition, we may use this information to contact you, via post or e-mail, regarding any issues of site operation. We do not sell or rent your information to any third parties.

We use your information, in aggregate, to operate and evaluate our site and for marketing purposes.

Security

This site has security measures in place to prevent misuse, fraud and alteration of the information under its control. All personal information collected and used by the site is protected via user name and password and is not accessible by the public or via the Internet.

This site restricts access to personally identifiable information gathered through the web site to programme employees who need access to the information in order to do their jobs. These employees are limited in number, and are committed to privacy and security policies.

CJ JH Plant & Tools Ltd has no obligation to monitor the site or any user's use thereof or to retain the content of any user session. However, we reserve the right at all times to monitor, review, retain and/or disclose any information as necessary to satisfy any applicable law, regulation, legal process, sponsoring company or governmental request.

Review and change of information

You can review and change portions of your personal information either in the web site or by contacting us by email. While we make reasonable efforts to ensure data integrity, to the extent that some information may have been transferred to other databases not directly administered by this site, we cannot ensure the timeliness with which such corrections or deletions may reach other databases.

Limits on liabilities

Although your privacy is very important to us, due to the existing legal and technical

environment, we cannot ensure that your personally identifiable information will not be disclosed to third parties in ways not described in this policy. Additionally, we can (and you authorise us to) disclose any information about you to private entities, law enforcement or other government officials, as we, at our sole discretion, believe necessary or appropriate to address or resolve enquiries or problems.

Acceptance of privacy terms and conditions

By visiting this site, you are agreeing to the practices described in this Privacy Policy. To the extent that any of the third-party sites accessible through this site have different privacy practices from those stated in this document, those third-party privacy practices govern the collection and use of information you provide when visiting those sites. This site is not responsible for the policies, content and practices of other companies.

Changes to this online privacy policy

On occasion, it may be necessary for us to change the terms and conditions of this Privacy Policy. To ensure that you are aware of current privacy practices, we recommend that you check this site periodically.

Contacting the web site

If you have any questions regarding this Privacy Policy, the practices or dealings of the site, please contact:
