

B1260013 Waist belt Assembly

## Description

### B1260013 Waist belt Assembly

This refurbished waist belt assembly is a genuine MSA component, designed for use with MSA Fresh Air BA Sets. It has been professionally restored to like-new condition, providing a cost-effective and reliable solution for maintaining your safety equipment while at work.

### Key Features & Benefits:

- **Genuine MSA Part:** Ensures compatibility and optimal performance with MSA Fresh Air BA Sets.
- **Refurbished to Like-New Condition:** Inspected and restored to meet MSA's high standards for quality and safety.

- **Cost-Effective:** A more affordable option compared to purchasing a brand-new waist belt assembly.
- **Reliable Performance:** Provides the same level of comfort and safety as a new component.
- **Easy Installation:** Simple to attach and detach for quick replacement.
- **Environmentally Friendly:** Extends the lifespan of existing components, reducing waste.

### Product Part NO:

- MSA PART NO: B1260013
