

B1260014 New 9Metre Hose

Description

B1260014 New 9-Metre Hose

Need a reliable air supply hose for your MSA fresh air breathing apparatus? The B1260014 New 9Metre Hose is a high-quality, aftermarket option designed for seamless compatibility with MSA BA sets.

Key Benefits:

- **Extended Reach:** Provides 9 metres of flexibility, allowing workers to move more freely and safely in hazardous environments.
- **MSA Compatibility:** Equivalent to MSA PART NO: B1260014, ensuring seamless integration with your existing MSA breathing apparatus.
- **Durable Construction:** Made with high-quality materials for long-lasting performance in demanding conditions.

- **Improved Safety:** Allows for safe operation at a greater distance from the air source, reducing risk in confined spaces or hazardous areas.
- **Easy Installation:** Comes with two brass couplings for quick and secure attachment to your MSA Turbo-Flo blower and respirator mask.

Why Choose TocDem Attachments & Utilities for Your MSA Equipment:

- **Cost-Effective Alternative:** Get the performance you need at a competitive price with our aftermarket hose.
- **Guaranteed Quality:** We source only the highest quality materials and components for our hoses.
- **Expert Support:** Our team is knowledgeable about all aspects of MSA breathing apparatus equipment and can help you select the right one.
- **Fast Shipping:** We offer prompt shipping options to get your equipment to you quickly.

Invest in Safety and Performance with the B1260014 New 9-Metre Hose

Don’t let a limited air supply hold you back.

Upgrade your MSA breathing apparatus with our B1260014 New 9Metre Hoses. TocDem Utilities beats the competition on price, quality, and after-sales support. We’re dedicated to helping you long after your purchase, with all parts and accessories in stock.

Our re-calibration service in the well-established workshop is fast and reliable. Additionally, our engineers have over 100 years of combined experience in electronics and hydraulics. We believe in investing in people and constantly have our staff re-trained in line with the latest industry techniques. We offer a full national & international shipping and customs clearance service, which can always be arranged by our friendly experienced administration team.
