

B1260016 Pot End Filter

Description

B1260016 Pot End Filter

The B1260016 Pot End Filter MSA Compatible Aftermarket New End Filter / Pot for use with MSA Fresh Air BA Sets.

- **Equivalent to MSA PART NO: B1260016**

With more than five million units B1260016 Pot End Filters sold, the upgraded 3S Full-Facepiece Respirator offers safety, comfort and durability. The face blank is made of a softer rubber compound (and also yellow silicone in another option) and has a wide sealing frame and deeper chin stop for a snug, comfortable fit.

The lens is made of impact-resistant polycarbonate (and silicate-coated glass and Triplex glass in other options) and offers a wide field of vision for excellent viewing.
Page 1
The harness allows for quick donning and removal and achieves a pressure-free fit in

combination with a protective helmet. The inner mask allows for optimal air flow and eliminates lens fogging. The mask comes in more than 50 different versions, allowing users to find the perfect mask.
