### **Why Choose TocDem Attachments & Utilities for Your Breathing Apparatus?**

- **Unbeatable Value:** We offer competitive pricing on high-quality refurbished equipment.
- **Expert Service:** Our experienced team provides thorough servicing, calibration, and testing.
- **Ongoing Support:** We offer a full range of parts and accessories, as well as re-calibration services at our Calibration Workshop.
- **Worldwide Shipping:** We can arrange national and international shipping and customs clearance.

### **Why Invest In A Refurbished MSA Breathing Apparatus!**

---

Don't compromise when it comes to safety. Contact TocDem Attachments & Utilities today for a quote or to explore our wide range of breathing apparatus solutions. We're dedicated to providing exceptional customer service and support long after your

purchase.

Choose from our extensive selection of breathing apparatus units, available for both sale and hire. Our hire fleet boasts over 1,000 items, including more than 200 MSA Breathing Apparatus sets. With over five million units sold, the upgraded 3S Full-Facepiece Respirator sets the standard for safety, comfort, and durability.

### **Experience the 3S Full-Facepiece Respirator Difference:**

- **Enhanced Comfort:** The face blank, crafted from a softer rubber compound (with a yellow silicone option available), features a wide sealing frame and deeper chin stop for a secure, comfortable fit.
- **Superior Vision:** The impact-resistant polycarbonate lens (with silicate-coated glass and Triplex glass options) ensures a wide field of vision for optimal awareness.
- **Effortless Use:** The harness design allows for quick donning and removal, achieving a pressure-free fit even when worn with a protective helmet.
- **Fog-Free Performance:** The inner mask maximises airflow, eliminating lens fogging and ensuring clear vision.
- **Personalised Fit:** With over 50 different versions available, you'll find the perfect mask to suit your needs.

TocDem Utilities beats the competition on price, quality, and after-sales support with our *MSA Breathing Apparatus*. We're dedicated to helping you long after your purchase, with all parts and accessories in stock. Our service engineers have over 100 years of combined specialist electronic and hydraulic experience between them.

Moreover, we believe in investing in people and constantly have our staff re-trained in line with the latest industry techniques. We offer a full national & international shipping and customs clearance service, which can always be arranged by our friendly experienced administration team.
