

Norton Clipper CS451 Floor Saw – New

Description

Norton Clipper CS451 Floor Saw – New

The Norton Clipper CS451 Floor Saw – New needs little or no introduction, it is quite simply the World's No.1 selling floor saw.

This instantly recognisable and class-leading saw is incredibly well-balanced, versatile, productive, comfortable and easy to use.

It has one of the lowest HAV (Hand Arm Vibration) recorded levels on the market, with operator exposure levels reduced by up to 40% compared to some competitor models, enabling longer periods of safe use. Not only does the CS451 meet modern safety standards, it exceeds them.

The Norton Clipper CS451 Floor Saw is packed with design and performance

enhancing features which include a choice of powerful petrol engines, an adjustable vibration dampened handlebar for improved operator comfort and control, a removeable 25 litre water tank which facilitates wet cutting, quick and easy handwheel

screw feed cutting depth control, an adjustable front cutting guide, a conveniently located dashboard-mounted tool kit and a helpful cutting depth indicator.

With great manoeuvrability and easy, efficient operation, the CS451 is ideal for a diverse range of cutting applications, including reinstatement works concrete and asphalt surfaces. It is suitable for both rental and contractor use alike.
