- Finance Can Be Arranged (subject to status)
- Full service & recalibration support offered

**SEE ALL PUSH PRO INFORMATION HERE**

**CLICK TO CALL FOR HELP & INFORMATION. WE WON'T BE BEATEN ON PRICE,  
QUALITY OR AFTER-SALES SERVICE!**

**TocDem Attachments is a first-class British manufacturer**

**We pride ourselves in providing high quality, easy to use, affordable products  
for the market.**

- The TocDem Push Pro quickly & simply attaches to an excavator's arm, for safe use inside the cab.
- There is no manual handling required, or injury risks associated with pipe insertion.
- TocDem offers award-winning after-sales service, product support, and training team fully support this easy-to-use tool.

- The TocDem Push Pro 180mm will fit on to any 0.8 – 3 Tonne Excavator, and most 5 Tonne Excavators too. Head brackets are manufactured to your specification on order.

### Further advantages to the TocDem Push Pro are:

- Specific deep machined grooves at upper / lower positions on both ends of the tube to locate shells to give more stability and longer life.
- Completely protected hydraulics for increased reliability. Robust Steel pipes, instead of hoses that fail easily.
- Easy to fit shells / liners available to cover 63mm – 180mm. 63, 75, 90, 110, 125, 140 & 160mm shells available – no shims required for 180mm.
- 100% BRITISH STEEL AND BRITISH MANUFACTURED!
