### **TGR22 TocDem 22 to 30 Tonne Demolition Selector Grab**

The TGR22 TocDem 22 to 30 Tonne Demolition Selector Grab is built to withstand tough working environments. Designed for excavators ranging from 22 to 30 tonnes, it is constructed using wear-resistant steels that allow efficient demolition of brick structures, timber, and various other materials. Moreover, its solid build ensures excellent power and consistent performance throughout demanding demolition tasks.

In addition to its demolition capabilities, this model features a well-thought-out design that enhances the sorting and selection of materials post-demolition. As a result, the recycling and handling process becomes significantly smoother and more efficient on site.

## What We Offer at TocDem

- **Huge 3 Year Warranty** – providing peace of mind with long-term reliability
- Hire-to-Buy packages available to suit different operational needs
- Trade-ins welcome – making equipment upgrades easier and more affordable
- Flexible finance options available (subject to status), giving you added purchasing freedom
- Full service & recalibration support for continued performance and reduced downtime
- Heavy Duty Slew Ring
- Heavy Duty Motor
- Heavy Duty Chassis

Furthermore, all TocDem Selector Grapples are delivered fully set up and ready to work. They include hoses, pins, and a custom-made head bracket or hanger. In addition, every unit comes with a standard 3-year warranty, ensuring maximum value.

- **Opening:** 2280 mm (90?)
- **Height:** 1800 mm (72?)
- **Width:** 1200 mm (47?)
- **Clamping Force:** 8 tonnes (17,600 lbs)
- **Loading Capacity:** 2 tonnes (4,400 lbs)
- **Oil Flow:** 50 litres per minute
- **Oil Pressure:** 300 bar (4,351 PSI)

### **Additional Highlights of This Series**

- 360° hydraulic rotation, ensuring precise and controlled attachment placement
- Hydraulic cylinder synchronised to a piston rod system, promoting smooth and uniform motion
- Interchangeable blades and various jaw configurations that support versatile applications such as demolition, selection, and material loading

## **Why Choose TocDem Attachments?**

At TocDem Excavator Attachments, we pride ourselves on delivering both high-quality manufacturing and outstanding service. We carry out rigorous pre-delivery inspections and testing to ensure every grab meets strict quality standards. Furthermore, we're continually evaluating and adopting cutting-edge technology to enhance our product offering.

Equally important, we believe in standing behind every product we sell. To support our clients, we maintain a full inventory of spare parts ready for immediate dispatch. Additionally, we provide reliable technical advice and support across our entire range of TEB Hydraulic Grabs.

**\*\* Due to ongoing development, specifications may change at any time.**

## **Safety Information**

These tools should only be operated by trained, qualified personnel. A valid risk assessment and method statement must be completed prior to use. Furthermore, the excavator must be fitted with a cab and demolition guards.
